

**Remarks**

In response to the Notice of Missing Requirements mailed September 28, 2006, Applicants submitted a paper copy and a computer readable form of the Sequence Listing, amended to comply with the requirements of 37 C.F.R. § 1.821-1.825. The paper and computer readable forms of the Sequence Listing were received by OIPE on December 6, 2006, as evidenced by the date-stamped return postcard, a copy of which is provided herewith. However, in response to the Notification of Defective Response, Applicants submit herewith replacements of the paper copy and computer readable form of the Sequence Listing. Applicants note that the paper copy and computer readable form of the Sequence Listing submitted in response to the Notice of Missing Requirements contained a typographical error in the filing date, which has been corrected with this amendment. Applicants further submit a "Statement in Compliance with 37 C.F.R. § 1.821(f)".

Applicants believe that no new matter is added by this Amendment. Entry of this amendment is respectfully requested.
